The Dimmer VIEW

BY MAX GOODWIN

Thank heavens the Explorer is launched and in orbit!

I, like many another taxpayer, have been living in a state of frustrations since the Vanguard fizzled. That one, the eggheads blamed on newspaper publicity and since then I have been ashamed to show my face among missile scientists.

I'm glad newspaper stories did not affect the group of missile-minded school boys in Texas who sent a rocket soaring three miles into space at the cost of $6.45. The Vanguard got three feet off at a cost of several millions of dollars. Vanguard II did very little better.

The U. S. Army's Explorer is in orbit, I presume, because it didn't have to crash through a newspaper publicity barrier of the type which tangled the Vanguard's launching and I'm going to be more chary of my written observations of these missile goings-on.

I don't mean I intend to start saying nice things about the bureaucraticly tangled missile but I'll not say such nice things about Texas school-boys.

While that won't untangle the program, It'll make the governmental control on missle publicity seem less juvenile.

We don't want to appear too bitter about the unreasonable attitude of the Pentagon concerning missile publicity, but I honestly feel justified.

Sigma Delta Chi, Professional Journalistic Fraternity reports that Trevor Gardner, former assistant secretary of the Air Force prepared an article on ballistic missiles based solely on material taken from high school text-books which included the classroom formulae for determining arc speed, amount of thrust needed for desired range and strength of the base platform three days late stamped by the

Woman Hurt In Broadway Crash

One woman was slightly injured and two others shaken up when a car ran into the rear of another on east Broadway, Friday at about 7 a.m.

The Highway Patrol reported that Mrs. Eleanor Frances Waterman of 3642 Fairway Drive, Brookside was driving east on Broadway when she drove her car into the rear end of a car belonging to Mrs. Elizabeth Toon of 9237 La Mar Street, Spring Valley. The car was parked on the shoulder of the road near the Exquisite Nursery. Sitting in the car with Mrs. Toon was Gracie Nipper of 3553 Harris, Lemon Grove.

Mrs. Waterman was taken to the La Mesa Community Hospital.

NEW HOME for Lemon Grove St. John of the Cross Church will represent nearly $500,000 and will seat 1100 worshippers when it is completed in the fall.

It is being built on church property west of the present church-school installation. Designed by Architect George Lykos and Msgr. John McDonagh, church's pastor, it is of modified Spanish design.

Present sanctuary is to be converted into a school assembly hall for the Catholic community.

Chamber To Raise Incorporation Funds

The Lemon Grove Chamber of Commerce took two important steps Thursday at their fourth special meeting of the month.

The board unanimously settled for a fund-raising campaign to collect $10,000 for incorporating Lemon Grove into a sixth-class city. They named Fordman Jim Spears as chairman of the ways-and-means committee with a charge to produce a workable plan at the regular chamber meeting this week. The chamber meets the first Thursday of the month at noon at Michael's.

President Ernest Newton said that these actions did not by-pass other committees. At present another committee is conducting a straw poll to ascertain just how much enthusiasm there is among the citizenry. The chamber embarked on a program of incorporating Lemon Grove after twenty clubs, group and organizations of the community said they preferred self rule via incorporation. Dr. Robert Swenson headed the Development Committee through which this study was made.

Representatives of the San Diego Gas and Electric Company will attend the Chamber of Commerce meeting this week in an attempt to work out the problem created by the utility pole in the post office parking apron.

Another committee, headed by Kenneth Barwick, is surveying the budget to see if it can be pared down without reducing its effectiveness.

Meanwhile, another chamber committee is studying the possibility of producing an election on incorporation using local talent, exclusively. This committee, headed by Jack Durham, started from an estimated cost of $25,000 of which $8,000 was to be the fee for professional supervision. This report is to be given at this week's chamber meeting.

Spears said Monday that his Way and Means committee is investigating a plan by which make-believe "shares of stock" would be sold in the "future of Lemon Grove." He said this would be one of the plans presented to the chamber this week of the chamber's battery of attorneys approved the plans legality. The chamber attorneys are Wallace Dorman, Kenneth Barwick and W. Earl Smart.

Part of Thursday's meeting was closed to discuss personnel and personalities.

Timmy Downer, 2 Dies Suddenly

Tomothy Bruce Downer, 2 years old, son of Mr. and Mrs. Harvey Downer of 1871 Fairhaven Avenue, died suddenly Saturday soon after arrival at the Naval Hospital.

He was ill only one day.

The County Coroner's office conducted an autopsy and findings will not be known until later in the week.

Funeral services were held Tuesday followed by interment.

The boy's father recently retired from the Navy and was employed at the Lemon Grove post office.

He is survived by his parents, three brothers and a sister.

Palm Avenue School To Be Dedicated Sunday

Dedication ceremonies for the new Palm Avenue School in Lemon Grove will be held on Sunday at 3 p.m. The brief but colorful ceremonies will feature participation by students, music groups, parents and school personnel. All residents of Lemon Grove are invited to the dedication of this sixth school of the district. Refreshments and an "open house" follow the ceremonies.

Dr. Werner Dieckmann, Assistant Superintendent of San Diego County Schools, will give the welcoming address following the flag ceremonies by youth groups and the invocation by Reverend Donald B. Cooke. Byron L. Neetzley, district superintendent, will introduce honored guests which include board members and the various representatives of firms and organizations responsible for the new plant.

Frank Armstrong, president of the Lemon Grove School Board, presents the building and it will be accepted by Wiley Cornelius, school principal. Mrs. Alta Holmberg will accept for the parents and Miss Ruth Penry, student body president, will accept for the pupils.

Musical selections by the Lemon Grove Junior High orchestra will be directed by Harry Weisgerber. Acknowledgements are made to the Palm Avenue P-TA for refreshments and flowers, the sixth grade girls who act as usherettes, and the fifth grade boys who will be parking attendants.

This latest unit of the District, houses 263 students, 8 teachers of grades 1 through 6, plus 3 junior high classes of math,

Says She Shot Him While He Slept

A Spring Valley man, Laverne Elvis Dufford, 43, of 4621 Bancroft Drive, was killed by a bullet through his heart late Saturday. Sheriff's deputies arrested the victim's wife on suspicion of murder.

The sheriff's department said that Mrs. Dufford admitted shooting her husband after she was placed in San Diego city jail. She is said to have fired the bullet into her husband's heart near midnight as he slept in his bed.

Mrs. Dufford

Dufford, a National City deputy building inspector was sleeping with his hands clapsed over his chest when a .22 caliber revolver was fired at point blank range according to Sheriff's Sgt. Robert Majors. The bullet also pierced the man's right index finger.

"Dufford never knew what hit him," Majors said.

Officers were summoned to the house by Richard Clark, 26, Mrs. Dufford's son by a former marriage. He said his mother awakened him in his room and told him a prowler had entered the house and shot her husband.

Clark called La Mesa police, who notified sheriff's officers. Spring Valley is under the sheriff's jurisdiction.

Sheriff's Sgt. S. O. Strange was sent to the home and questioned the woman.

"Well, lady I don't quite believe your story," he said.

Strange said she replied "Well, all right, I shot him." She became hysterical and was taken to the jail.

Confesses Shooting

Questioned there later, she made a statement confessing the shooting to Majors, police said.

"After my husband went to bed, I sat up watching television and thinking about all the quarrels we've had since we were married 17 years ago," Majors quoted her as saying, "It was just like a sore boil. I was sitting ther watching television when it overcame me."

Mrs. Dufford said she got the revolver, one of nine guns which her husband had collected for hunting and target practice.

"I went into the bedroom, pointed the gun at the middle of his body and pulled the trigger," Majors quoted her as saying.

Dufford formerly an inspector in Escondido became deputy inspector in National City a year ago.

According to Clark, his mother and stepfather had been separated for six months last year. Dufford moved back to the home last September. Clark said the couple had not quarreled Saturday.

Mrs. Dufford's daughter, Sharon Clark, 18, a student at San Diego State, moved out of the home several months ago.

"HONEYBEE TIME" is the theme for a dessert fashion show scheduled for early March by the Lemon Grove Womans' Club Juniors. The show, originally scheduled for this week end will show styles furnished by Lowe's Toggery and Lane's Men's Wear.

Showing some of the more attractive feminine apparel are Barbara Cohenour and Robbie Kraft, both members of the Juniors, who will be among the cast of models.

There will be door prizes, too. An all-expense trip to Las Vegas Hacienda, a trip to El Rancho Vegas, a visit to Village Inn at Lake Arrowhead and one to Desert Lodge at Borrego will be given. There will be merchandise prizes given by local business firms.

Masked Bandit Robs Liquor Store Owner Of $153

A masked bandit who "looked like Jesse James" stuck an object into the back of Robert F. Kerrigan, owner of a liquor store at 2855 Imperial Avenue and took $153.25 from him.

Kerrigan told sheriff's deputies that the man was wearing a bandana handkerchief as a mask, walked up to him from behind as he got into his car to leave as he was closing the store and said "This is a stick-up. Give me the money."

The money was in a green bank bag and the robber took bag and all. He also demanded the keys to the car and the store. "Don't leave the car. If you open the door I will start shooting," the robber warned.

The robber then ran north on Imperial avenue to a parked car which Kerrigan said appeared to be a convertible which was parked about 100 yards away on the parking lot of the American Legion Hall.

Kerrigan said the man apparently had been hiding behind a retaining wall at the end of the parking strip in front of his store. He flagged three motorists before one stopped who drove him to Club Venezia on Broadway in Lemon Grove where he called the sheriff's department.

Investigators found Kerrigan's keys near the brick retaining wall next to his store.

Kerrigan said "I thought about Jesse James when I recalled that the once-in-a while train passed in front of my store the day before."

ATOMIC DISPLAY

The L.G. Jaycee's sponsored "Atoms for Peace" mobile exhibit will be shown in Lemon Grove Saturday from 10 a.m. to 6 p.m. opposite the Grove Theatre.

COURT UPGRADING MAY SPELL END FOR JP's

Judge Luther N. Hussey, who was moved up last year from the Homeland Justice Court to a judgeship in a municipal court in San Diego by a quirk of fate, partly of his own making, is going to become a superior court judge without any additional effort, according to a court reorganization suggested this week by the Grand Jury.

The recommendation for a change in the entire court system was made to the Board of Supervisors on Monday, but the matter came too late to get on Tuesday's docket. It is due for discussion at the Supervisors' meeting next Tuesday.

The Grand Jury suggests that all justice courts should be abolished. There are eight left: National City, Coronado, Jacumba, Ramona, Encinitas, Vista, Escondido and Fallbrook. But instead of making them municipal judges, with a boost in salary to 16,500 that Judge Hussey got, these judges are all to be out of jobs.

The Grand Jury then suggests that the whole municipal court system be reorganized, or an entirely new type of court be formed. The latter would be called the "superior court of unlimited jurisdiction." Judge Hussey, coming under this, would then be a superior court judge.

To make such a type court possible, a new state law is needed. Such legislation is now being prepared to start such courts in San Francisco, Los Angeles and Alameda counties. The Board of Supervisors can include San Diego in the plan if they act before the law becomes effective. After that, the vote of San Diego's electorate will be necessary for the county to get in on the plan.

If only the municipal court is reorganized, it will call for formation of a single municipal court district. This will mean naming of a presiding judge, a single marshal and clerk. At present there are four districts: Chula Vista's South Bay, and those of El Cajon, Oceanside and San Diego.

"Reorganization of the courts," according to Edwin K. Klenke, foreman of the Grand Jury, "will mean increased efficiency of operation and savings for taxpayers." He said a study made in November, 1957, by representatives of the State Judicial Council showed that changes in the court system are needed. Chief Justice Gibson of the Supreme Court heads the Council.

"The Judicial Council," Klenke said, "advised that it will make a complete survey and offer its recommendations in regard to court realignment at the request of the Board of Supervisors. The Grand Jury hereby requests that the Board of Supervisors immediately accept this offer of assistance and advice of the Judicial Council."

SAVES TRAVEL

Judge R. Fenton Garfield, upon whose El Cajon Municipal Court the Homeland Justice cases were thrown when Hussey became a San Diego Municipal Court judge has come out for the "superior court of unlimited jurisdiction" plan. "This will mean that local lawyers will be spared travel between courts," he said. "It will also mean that ther clients will be spared those traveling costs," he added. "And taxpayers will not have the added expenses that come from delays because cases have to be postponed because of conflicts between courts."

Garfield has been critical of the move that boosted Hussey from a justice court judge to a municipal court judge, as no steps were taken to relieve the the buden thrown on the El Cajon court.

The recommendations for court changes were made in the report that the 1957 grand jury filed Monday morning with Judge L. N. Turrentine, presiding judge of the superior court. Turrentine then dissolved the 1957 Grand Jury and swore in members of the 1958 Grand Jury. He appointed Ernest L. Chezem, a retired naval officer living in San Diego, as foreman of the new group.

On the new Grand Judy is Ira L. Durham, 3270 Main St., Lemon Grove. He is a retired insurance man.

Fanny B. White Dies at 85

Fanny B. White, 85, of 8028 Lincoln Avenue died Saturday at Paradise Valley Hospital where she had been two days.

Mrs. White had lived in Lemon Grove since 1901 when she came to California from Fulton, Kentucky. She had been extremely active until about two years ago when her sight began to fail. She was a source of much of the early history of Lemon Grove.

Her husband, Dr. Frederick Paul White, died in 1948 after a lingering illness. The only known survivor is a son, Chester E., of Escondido, who is co-owner with Mrs. White of the County Electric Company.

Funeral services were held Wednesday at the Erickson-Anderson Mortuary followed by interment at Mt. Hope Cemetery.

Jaycee Hypnotic Show Set For Tuesday

The Lemon Grove Junior Chamber of Commerce Hypnotic Show will be held February 11 in the auditorium of the Lemon Grove Junior High School. There will be three shows . . . one at 3 p.m. one at 7 p.m. and one at 9 p.m. Admission will be 35 cents for children and 90 cents for adults.

As a dramatic preview of the show, Professor George Singer, hypnotist, will give a free demonstration at noon, the day of the show, in the plaza on Broadway. Several Jaycees will then be put into a trance.

At each performance a chosen subject will be put into a cataleptic or deep sleep demonstrating how the muscular system under hypnosis makes the body extremely rigid. It will be so rigid that no strain is felt when supporting heavy weights. When the subject has reached that point, his body will be suspended between the backs of two ordinary kitchen chair and weights of two hundred pounds will be placed on the abdomen of the hypnotized person. This person will feel no pain or strain. Sounds impossible, but you must see this to believe it. Tickets for this dramatic show can be obtained from any Jaycee member or at the door.

P. E. And US $$ Schools' Needs

The strength and endurance of American Youth has recently been a subject of much discussion and some criticism, Miss Lyda Smiley, Coordinator of Health for the La Mesa-Spring Valley School District, told the Board of Education, last Monday. She said, however, there are few reliable statistics available, upon which to base any judgement. She briefly reviewed steps that are being taken in this and other school districts throughout the nation to accurately measure the strength and endurance of school children.

President Eisenhower's 1956 Conference on Physical fitness of American Youth has brought out a series of national and state tests. Miss Smiley said the California Physical Performance test will be taken by all school children in the district, grades 5 thru 8. From an analysis of the results the District hopes to determine the true physical strengths and weaknesses of the children and to have a better basis for evaluating the physical education program.

Some California experts are of the opinion the chilren are under-developed in terms of arm and shoulder muscles, Miss Smiley pointed out. She said that one physical educator quoted, "We run our children to death. They have no trees to climb, and few games, particularly in the upper grades, for developing arms and shoulders."

"Of course, whether or not the statement is accurate, remains to be seen," Miss Smiley said. She said that by next fall a fairly good analysis of the physical abilities of California children can be made.

The California test is similar to the national test, except there will be no local provisions for testing swimming ability. Tests for boys will include modified pull-ups (to chest level), sit-ups, standing broad jump, soft ball throw for distance and the 50 yard dash. The girls test will be the same except knee-push-ups are substituted for pull-ups. The series of tests is designed to measure the strength and endurance of the major muscle groups.

MONEY LOSS

The loss of Federal "impact" money for the District has been viewed with alarm by the Board of Education, it was reported last week. The Board has instructed Superintendent Glenn Murdock to write letters to local congressmen and applicable agencies, pointing out the fact that if the Federal funds are cut off the District will suffer severe consequences.

Currently about 4 percent of the District's operating money comes from the Federal Government, under the provisions of Pubilc Law 874. It was pointed out that a 23 cents local tax would be necessary to replace money lost if this law was allowed to expire.

The District has also received construction money from the Federal Government under provisions of Public Law 815. The Spring Valley Junior High School, it was pointed out, was built with a grant of money under this law.

The Board has stressed that Federal Aid is not to be talked about as a possibility. The District has been receiving Federal money for years. Proposals now being made to eliminate this aid would transfer the burden to the taxpayer. "Such a citation would be catastrophic", Murdock said.

Congressman Utt

Congressman James B. Utt (R-Santa Ana) has announced his intention to seek re-election to the office of Representative in Congress from the 28th Congressional District (Orange and Northern San Diego Counties). He will seek his fourth consecutive term in office.

During his first term in Congress, with the Republicans in control, Utt became the first Freshman Congressman in 30 years to be appointed a member of the Ways and Means Committee. When the control shifted in 1954, he became a member of the Interior and Insular Affairs Committee on which he has been active in the fight to protect the quality and quantity of Colorado River water being received in Southern California. He was primarily repsonsible for the rehabilitation of the beach at Seal Beach and Sunset beach.

Utt believes in a limited federal government which does only those necessary things that the local and state governments cannot do. He is a firm believer in States' Rights, the Free Enterprise System, Constitutional Government and Voluntary Unionism. He is not a rubber stamp Congressman and on occasion has vigorously opposed elements which were not in accord with these principles.

Utt has fought continually for economy in government and for lower taxes while building an adequate and powerful defense system consistent with the maintenance of a sound national economy.

Utt is a native of Santa Ana and attended Orange County Public schools and the University of Southern California law school. From 1933 to 1937, he served as Assemblyman in the California State Legislature, representing a portion of Orange County. He served 16 years as Inheritance Tax Appraiser until taking up his duties in the House of Representatives in 1953. He also maintains a law office in Santa Ana.

Congressman Utt lives at 2222 North Bristol, in Santa Ana, with his wife Charlena who accompanies him to Washington during sessions of Congress. They have one son and three grandchildren.

CAMELLIA GROUP SETS MEETING

The San Diego Camellia Society will meet Friday, at 7:30 at the Floral Building in Balboa Park. William L. Gibson, Program Chairman, has arranged a "Special Workshop" for this meeting. An extensive demonstration of Grafting will be conducted by Ted Kohl, of Coronado and proper methods of actual grafting will be shown.

Spin Inn Gives Help In Polio Drive

Last Wednesday, the Spin Inn, owned and operated by Ralph and Inez Fetters, held their annual March of Dimes Contributing Night. Customers were served delicious smoked barbecued sandwiches on a voluntary contribution basis. The amount collected was $70. It takes a good barbecue sandwich to raise that much dough, plus a lot of nice people, says Ralph and Inez, who also want to thank all those who helped with this effort to fight polio.

Protests Registered On Sewer Line Work

Several property owners of the Troy and Valencia Streets area, appeared before the County Board of Supervisors last Tuesday, protesting assessments on sewer collection lines, under the 1911 Act. The protests were based on the fact that the homes faced the main trunk lines instead of the collection lines.

County engineers Warren Barney and Joe Rushing were at the meeting to answer questions. Barney said the assessment under the 1911 Act will be $4.65 per front foot.

Several of the property owners not only protested the assessments, but claimed the contractors left their property in bad condition after the sewer lines were installed. One woman said her drainage ditch had been filled and the recent rain caused water to flow over the front of her property, washing out the decomposed granite from her driveway.

Engineer Barney said he will investigate the complaints and make a report at this Friday's meeting (10 a.m.) in the Supervisors' chambers. At that time more protests are to be heard.

SORORITY TO CHOOSE "QUEEN" — Mrs. Lawrence Glode, of 1630 Drexel Drive, Lemon Grove, will compete with other members of the Beta Sigma Phi sorority for title of "Queen of Hearts" Saturday at the sorority's 12th annual ball. It will be held at the U.S. Grant Hotel.
Mrs. Glode is a clerk with the 11th Naval District Military Transportation Office.

Dr. Shea Heads Area Dental Week Activities

Dr. Peter Shea, Lemon Grove dentist has been named chairman for the Lemon Grove and Spring Valley observance of National Children's Dental Health Week.

The week is sponsored nationally March 3-7 by the American Dental Association, and local participation is sponsored by the San Diego County Dental Society.

Dr. Shea said he hopes to work out plans with Lemon Grove and Spring Valley officials for "the broadest possible community participation" in Children's Dental Health Week. He pointed out that the purpose of the event is to remind parents and children that "the greatest single dental problem of our day, tooth decay, can be prevented through proper care of the teeth at home."

Tooth decay strikes early, according to Dr. Shea. He said 50 per cent o fthe nation's two-year-olds have some tooth decay, and more than 96 per cent of the nations youth have tooth decay when they reach high school age.

All Fire Commissioners To Run For Office In April

All three commissioners of the Lemon Grove Fire Department will have to stand for re-election on the first Tuesday in April, Fire District Council V. J. Dorman said this week. Last date for filing is February 20, midnight, 40 days prior to the election.

He said that under the provisions of the September 1957 fire district re-organization act, known as the Local Fire District Law, a new set of operations rules & fes would be established.

One of these is the privilege of the commissioners to vote themselves a $10 maximum fee per meeting plus a per diem expense account. This is expected to be approved by the commissioners at an early meeting.

Official name will be the Lemon Grove Local Fire Department.

Dorman said that reorganization must be completed before March 11 and the Lemon Grove district has completed its work. The reorganization was approved by the board of supervisors January 21, he said, and the certification request has been submitted to the California State Secretary.

Present commissioners are Alfred Roulo, Tom Parsons and Michael Calderone. All have indicated they will run for their present positions.

Meanwhile, Fire Chief H. O. Hensley filed his annual report with the board of commissioners.

This is what the department did last year, he said:

UNDERWATER BREATHING CLASSES DATES GIVEN

Applications for future classes in Self-Contained Underwater Breathing Apparatus are being accepted now by the San Diego Park and Recreation Department's aquatic division on Santa Clara Point.

The SCUBA classes will be held at Mission Beach Plunge as soon as it reopens for the year around March 1. Personnel of the Scripps Institution of Oceanography will serve as instructors for the Tuesday night classes dealing with safe use of equipment used in skin diving.

To Aid Boy Scouts

Robert "Bud" James

County Clerk, Robert "Bud" James will serve as general chairman of the capital fund campaign to raise $658,947 to pay for and develop a 679-acre Boy Scout Reservation, Dwight E. Stanford, president, San Diego County Council, Boy Scouts of America, announced today.

James, who has been associated with the County Clerk's office for about 20 years, has served on many community activities, including the 1956 March of Dimes campaign. Prior to taking office as County Clerk in 1953, he served as Chief Deputy County Clerk for six years. He is a past Master of Masonic Lodge 35 and a Shriner. A veteran of World War II, he saw action as a pilot in the Air Force in many overseas theaters.

In announcing James' appointment as chairman of the campaign to provide a year-round adequate camping and training activities center for the increased membership of the Boy Scouts of America in San Diego County. Stanford said, "James devotes an almost unbelievable number of hours each week to the cause of boyhood in this county. He has exhibited extraordinary administrative ability in setting up organizational plans for the Mataguay campaign, and has poured hours of time and energy into the drama of Mataguay.'

World Day of Prayer Program Set For St. Philip's

" The Bread of Life" has been chosen as the theme for the World Day of Prayer, to be observed February 21 this year. More than 20,000 U. S. communities and 143 countries around the world participated in World Day of prayer services last year; 20 governors and more than 100 mayors issued official proclamations calling on their citizens to observe the day.

The services this year will be held at St. Philip's Episcopal Church, Palm at Hardy, in Lemon Grove, with more than seven local churches participating, on February 21, at 10:00 a.m.

The day Begins west of the international date line in New Zealand and the Fiji Islands, and as the day progresses, new groups in city, town, countryside, and hamlet join in praise and prayer, until some 40 hours later it ends at Gambell on St. Lawrence Island, off the coast of Alaska thirty miles east of the date line, and about the same distance from the Arctic Circle.

Although under the auspices of women of the Christian churches, everyone is invited to take part in this great world-wide day of prayer.

Local Baby Crop Looks Promising

Babies were born at the Grossmont Hospital to these area parents.

On January 24, Mr. and Mrs. Marion Doyle Hughes of 1906 Eldora Street, Lemon Grove become the parents of a boy.

Also on the same date Mr. and Mrs. Harold Gene Sims of 3880 Spring Drive, Spring Valley had a girl.

A boy was born on January 25 to Mr. and Mrs. Cedric Carl Stammerjohn of 3275 Alford, Lemon Grove.

On January 26 a boy was born to Mr. and Mrs. Robert Headley Key of 8315 Palm Avenue, Lemon Grove.

A girls was born to Mr. and Mrs. Jacinto Sanchez of 7040 Mt. Vernon, Lemon Grove on January 27.

Paradise Valley Hospital hosted a boy for Mr. and Mrs. Arile Rasco of 8666 Jamacha Road, Spring Valley.

County In Midst Of Baby Boom

San Diego County's baby boom has continued through its second record-breaking year with an all-time high in registered live births for 1957. The San Diego Department of Public Health reported yesterday that with some records still coming in the provisional total of registered live births for 1957 stands at 23,800. This is 1,051 babies over the previous record-breaking year, 1956.

Dr. J. B. Askew director of public health, said a baby was born an average of every 22 minutes in San Diego County throughout the year. Figures compiled by his department's Bureau of Records and Statistics, Dr. Askew said, indicated ped the 2,100 mark in July, August and September.

If provisional statistics follow the usual pattern, Dr. Askew said around 40 per cent of the 1957 baby crop would have been born into military families.

Dr. Askew stressed the importance of pre-natal care as well as hospital care of the new born. Figures for 1957 have not yet been compiled, he said, but in 1956, 58.3 per cent of the mothers started per-natal care within the first four months of pregnancy. He emphasized that every expectant mother should see her doctor very early in her period of pregnancy and consult her doctor regularly before as well as after childbirth.

Alert Housewife Prevents Possible Valley Fire

An alert housewife, Mrs. Edward Johnson, of 10143 Del Rio Road, possibly averted a catastrophe early Sunday when she alerted the Spring Valley Fire Department concerning a brush-type fire near the rear yard of E. J. Steegers, 10137 Del Rio Road, Spring Valley.

Firemen, ho made the 4 a.m. roll, said that the fire might have grown into a full fledged conflagration had not the small blaze been extinguished. This they did with a garden hose.

Mrs. Johnson had gotten up at 4 a.m. to give medicine to her son. Smelling the smoke, she awoke her husband. Smoke was coming from the yard adjacent to Steeger's house where a trash fire had been burning the day before. They then called the fire department.

S. V. Teeners Jailed

Four area teenagers were arrested by deputy sheriffs Bob Ryan and E. F. Rodinec of the El Cajon sub-station, January 24, after nine reports of thefts were received the day before.

Being held are Robert Edward Covey 19, of 8970 Golf Drive, Spring Valley and James Mathews Coombs, 19, of 998 East Main Street, El Cajon. They are in County Jail with their bail set at $3,000. They are charged with two counts of burglary and one count of grand theft.

The other two, who were allegedly with Covey and Coombs, are 16-year olds. They are in Anthony Home. One is a parolee of the California Youth Authority and the other is on probation from the Juvenile Authorities.

Deputy Ryan said the theft reports were on gasoline, rifling of cars and theft of tools. The tools, valued at $225, were taken from a pickup truck on Nabal Drive near Calavo Gardens. They were later recovered; some in Logan Heights (San Diego), some in a San Diego pawn shop and the rest in Suncrest.

Deputy Rodinec said the boys admitted the thefts.

Deputy Ryan said he also arrested Henry S. Brown 23, of 244 Lexington Avenue, El Cajon, on the day following an alleged burglary of a home at 2381 New Jersey Avenue, Lemon Grove. The resident of the home, who is a former acquaintance of Brown, said the suspect took $50 from the house. Brown was identified by witnesses in the neighborhood, as the man seen coming from the house. He is in Couny Jail, and his bail is set at $1,000.

Junior Achievement Sound Business Training, Says Men's Club Speaker

"About half of the youngsters in high school feel that profit in business is an improper motive," Ned S. Sewell tol dthe Men's Club Friday.

"All who become associated with Junior Achievement programs not only think profit proper, but they demand profits," he said.

Sewell, who live in Lemon Grove, is director of the San Diego Junior Achievement, Incorporated. He said the non-profit organization was the nation's best proving ground for youth interested in business as a career. "They get to know the need for a sustained selling effort to keep a producttion lin in operation. They get to know the responsibilities of meeting a payroll too."

He commended Men's Club president Bill Parker of the Pacific TelTelCo for Parker's effort last year in racking up $20,000 of Telepen sales in the Achievement group he sponsored. "His group attracted attention of the Fair Trade Commission, several unions, and the Securities Commission because of high production and sales," Sewell said. Parker has taken on the program again this year, he announced.

This week, on Friday, the Men's Club will hear Rolland Douglass, manager of the Department of Motor Vehicles office in La Mesa. His talk will cover some of the new DMV regulations.

The club meets every Friday at noon at Michael's.

SPIRIT, GOD TRANSFORMS CHARACTER SAYS SERMON

The Lesson-Sermon in all the Christian Science churches on Sunday will dwell on God as Spirit and the subject will be "Spirit."

A Bible reference quotes Paul's first letter to the Corinithians (12:6, 7), "There are diversities of operations, but it is the same God which worketh all in all. But the manifestation of the Spirit is given to every man to profit withal."

needed to withstand this thrust.

When he sent it to the Security Review Office of clearance the SRO people "blew their tops," charged the article contained "top secret" information. They refused clearance.

There is the confirmed story concerning the mimeographed release of Secretary of Defense Wilson's press conference of April 12, 1955. It carried a notation stamped on top of it reading "Not For General Distribution". Imagine that. A restriction on material already given at a press conference. How stamp-happy can the Pentagon get?

Readers Digest sent us an advance yarn on an article by Senator Olin Johnston which they have scheduled for the February issue. It is entitled "How To End Our Post Office Mess — Permanently."

The letter arrived at our desk Post Office Department "missent to Lemoncove.

The February issue of the Readers Digest—and we have subcribed for years—just didn't arrive here at all.

The Helix Water Works has set up the most effective Don't Waste Water Committee ever chosen. Bob Rundell, who represents Spring Valley, Hary Griffen, who represents Lemon Grove and County Planning Commissioner Gilbert Ray, of Casa de Oro, were all named to breathe life into a water conservation program under the canopy of Don't Waste Water, Inc.

They arranged for several minor details to be discussed when the DWW. Inc. meets February 21, but, apparently on their own, they provided for two series of local rainstorms, one a week, since their appointment. You can't do much better than that!

One of my favorite correspondents around the globe (I have several) is Chief Petty Officer William P. "Curley" Simons, Jr., one of the last enlisted pilots extant.

I have followed the comings and goings of Curly Simons via personal letter for two-and-a-half years while he served as Navy C-47 pilot attached with the U. S. Embassy in Tehran, Iran.

He spiced his letters with vivid accounts of being within gun-smoke-smelling range of two wars and on the street during a Greek revolution. He also had some homey descriptions of a long siege in Near East hospitals through which I learned practically everything about the Simon's inner workings.

He came home last month to take up his residence at 7506 Cuyamaca Avenue after a round-about route which took him to Ireland, England, Holland, Germany, France, Bavaria, Switzerland, Greece, Italy, Turkey, Cyprus, Lebanon, Egypt, Jordan, Syria, Iraq, Iran, Kuwait, Saudi Arabia, Aman, Pakistan, Afghanistan and India. He came home an authority on each and every one of the countries he visited, too. This I guess, made his greetings to me carry a note of authority.

The first thing he said when he walked into my office last was "Why the H - - - don't you guys incorporate?"

CPO Simons is now back on duty as a helicopter pilot at NAS Miramar on sea rescue service.

homemaking and shop, in 10 classrooms, an administration unit for principal, school nurse and secretary and the multipurpose room (cafetorium) and teachers' dining room. Principal Cornelius has Mrs. Loy Holmquist, 6th grade teacher; Seymour Metzner, 5th grade teacher; Miss Joan Wittrock, 4th grade; James E. Dawson, 3rd grade; Mrs. Lois Richie, 2nd and 3rd combination; Mrs. Janual Stewart, 2nd grade; Miss Alice Milne, 1st grade and Mrs. Reilly, 1st grade; plus junior high teachers Miss Joan Strople for homemaking and Edgar Cawton for shop under his supervision. The math class is taught by Cornelius. This entire school now encompasses 18 acres at the Palm Avenue and Troy Street intersection.

Schools May Raise Price Of Lunches

Serious consideration will be given to a financial report on the district's school cafeterias at the regular meeting of the Lemon Grove School board which will be held at the Lincoln Street Education Center at 7:30 p.m. Monday.

The decision to raise prices on all lunches, student and adult, or maintaing present prices will be made by the board after a thorough review of the financial situation.

Other reports to be heard include the increased costs for county office audio-visual services and a county hearing on lease arrangements of five lots of school property for Little League activities.

Bid opening for the planned San Altos School will also be held during this meeting. Plans call for twelve classrooms, two kindergartens, a multi - purpose room, and principal's office. Tentative opening date is September.

Henry George School Opens This Month

February 18 is announced as the opening of the Lemon Grove class of the Henry George School of Social Science. This is a free course in basic economics, and offered as a public service.

The course consists of ten two-hour sessions, at which inquiry is made into the cause of high living costs, high taxes, poverty in a world of plenty, business depressions, and other problems, local and national.

The school is a non-profit, non-political, non-sectarian, the course open to all adults is entirely free, and no educational requirements.

The group will meet on Tuesday evenings, at the Golden Avenue School, Golden Avenue and School Lane, Room 13, beginning on February 18, 1958, at 7:30 p.m.

Little League Try-Outs To Be Held Saturday

Try-outs for the Lemon Grove Little League Clinic will again be held at the Junior High School field Saturday for all eight year olds and any boys 9 to 12 years who were unable to make it before.

The regular monthly meeting was held February 3 with guest speaker Mr. Wm. Haggard, president of the La Mesa championship Little League team. He recounted his wonderful experience from the time he left La Mesa up to the final game with the National Champions.

The league is in desperate need of sponsors for the Minor League. Anyone interested please call Mrs. Helen Eaton HO 6-4747.

CTA Complaint Brings Another TV Show on Schools

A special show featuring Alhambra High School is scheduled for Sunday, at 1:30 p.m. over all CBS television stations. It was this same high school last month that was hailed on a nationwide hookup for its "coeducational cooking classes" and seeming lack of basic courses.

The California Teachers Association, feeling that the school's curriculum had been misrepresented, protested the broadcast to CBS and the show's sponsor, the Prudential Life Insurance Company. The CTA efforts, combined with those of NEA and all local teacher group in California, resulted in the return broadcast this Sunday in which CBS hopes to correct the erroneous impression given viewers in January.

Eric Sevareid, commentator for the program, World News Roundup, will show film of the school as it was originally taken for the January Twentieth Century program series. All pictures, other than the after-school interviews, were made with complete cooperation of school administration, teachers, and the board of trustees.

Rainbow To Install Joan Wetterskog

Joann Wetterskog will be installed as Worthy Advisor of La Mesa Assembly, No. 153, Order of Rainbow for Girls, at 8 p.m. Saturday in the La Mesa Masonic Temple, 4731 Date Street, La Mesa.

Other officers will be Sandy Boatman, Worthy Associate Advisor; Ann Marie Shannon, Charity; Sandra Stafford, Hope; Jane Spence, Faith; Mary Lou Pheil, Recorder; and Janice Martin, Treasurer.

Appointive officers will be Sandra Shipe, Chaplain; Jane Chalmers, Drill Leader; Deanna Balsley, Love; Deanna Fiester, Religion; Virginia Ayers, Nature; Nancy Bowers, Immortality; Lynn Barrett, Fidelity; Helen Halvorson, Patriotism; Waltrina Watson, Service; Nana Watson, Confidential Observer; Evelyn Trytten, Outer Observer; Judy Antwell, Choir Director; and Sharon Payne, Musician.

MT. MIGUEL P-TA TO NAME NOMINATING COMMITTEE

The Mt. Miguel P-TA will meet this week on Thursday. At 6 p.m. there will be a cafeteria dinner, followed at 7 by the Mt. Miguel Band accompanied by the Miguel Concert Choir. The P-TA meeting will follow with election of a nominating committee. After the meeting a faculty panel will discuss the subject "Do People Really Want Improved Education." Some of the other questions to be asked: Should we consider new controls on discipline? Is treatment of tardiness effective? Should status be given to outstanding individuals? These are highly controversial issues involving students, parents and faculty. Mrs. Gilbert Durham is chairman of this program. Special guest will be Mrs. Lloyd Lewis, President of 9th District.

Mt. Helix Council Lists Nominees

The nominating committee of Mt. Helix Council will present the following slate of officers at the next meeting of the Mt. Helix Council, to be held March 12 at the Spring Valley Elementary School.

President, Mrs. Robert Higgins, La Mesa Dale School; Vice-president, Mrs. C. S. Williams, Spring Valley Elementary; Secretary, Mrs. Frank Armstrong, Palm Avenue; Treasurer, Mrs. John C. Howe, Jr., Northmont; Auditor, Mrs. D. F. Folland, Brier Patch and Historian, Mrs. Roy Houston, Rolando.

LOCAL MAN TO ASSIST BIRD SHOW

Dr. Fred Sherman, a Spring Valley man, who has made a special study of bird diseases and their treatment will speak on that subject when the Budgie Fanciers of San Diego County meet Saturday at 7:30 p.m. in Carpenter's Hall, 23rd and Broadway. Newly elected officers for 1958 are being installed. Visitors who are interested in breeding exhibition budgies are most cordially invited.

HORTICULTURIST TO BE WOMAN'S CLUB PROGRAM SPEAKER

The Garden Section of the Lemon Grove Woman's Club will present a special program at the club house. It will feature a talk by Joe Littlefield, horticulturist. The meeting is open to the public.

Study Given M.H. P-TA Fashion Show

The Executive Board of the Monterey Height's P-TA will meet this week at 10 a.m. at the home of Mrs. Vernon Linden, 1605 Skyline Drive to discuss plans for the forthcoming fashion show being held February 13 as part of the Founders' Day program.

Mrs. Charles Spisak will act at director and narrator of the show, and Mrs. E. J. Latulippe is chairman for the Founders Day event. Invitations to display apparel created at home have been sent to parents, so it should be quite an interesting show.

CANCER CRUSADE WORKERS WANTED

Volunteers now are needed to fill 50,000 envelopes and 6,000 Crusade kits for the April Cancer Memorial Crusade, according to Mrs. Robert L. Hippen, chairman of volunteers of the San Diego Branch, American Cancer Society. Typists to address envelopes are also needed.

Mrs. Hippen said the project will be carried out at the Cancer Information Center, 1401 Fifth Avenue, and volunteers will work from 9 a.m. to 5 p.m. daily, Monday through Friday for as many hours as they choose.

Additional information may be obtained by phoning the Information center, BElmont 4-9481.

Rebeccas Plan Card Party

The Rebecca Circle of the Lemon Grove Congregational Church will hold a Valentine Luncheon-Card Party February 13 at Friendship Hall, Church and Main. Luncheon will be served from 12:30 'til 1:30 followed by an afternoon of canasta, bridge, pinnochle and scrabble. Admission will be $1. Tickets may be obtained from any of the circle members, ticket chairman, Sally Menard, HO 6-1847, or at the door. Door and tally prizes will be awarded. Everyone is invited.

HAPPY HOMECOMING FOR CYNTHIA

Two-months-old Cynthia Lynette Archer, daughter of Mr. and Mrs. Charles L. Archer, of 8775 Troy Street, came home last week.

She weighed only 2 lbs., 12 oz., when she was born at Grossmont, December 9. Today she weighs in at a thriving 5 lbs., 3 oz.

Former Columnist Has Own Radio Program In L.A.

Lemon Grove's Bob Turnbull has finally landed what he has wanted for many year. His own radio show!

Bob, former REVIEW columnist for seven years and now Hollywood thespian, is co-M.C. and director of the new "Hollywood Teen-Twenty Sing-Time Radiocast," that's on live for one hour every Friday night, 10:30 p.m. It's on a local L. A. station, KGIL (1260 k.c.).

This show, catering to the younger set, follows the feature film of the Sacred Arts Theatre, 5546 Hollywood Blvd., on Friday evenings. It then goes on live from the stage to the theatre audience as well as the home or car listeners.

The purpose of this club is to show that "Christianity is fun, and it's fun to be a Christian." They interview film entertainers and have musicians and singers as well. Sort of a Don McNeil "Breakfast Club" party.

This Friday night will mark only the third radiocast, but already they've featured many celebrities, such as Yvonne Lime, Dale Evans, Dick Jones, Connie Stevens, Ray Stricklyn, Tim Considine, Steve Terrell, Natalie Wood Wagner, Mickey Finn, Steve Stevens and many others. Some of the musicians and singers have been Little Richard, Rickey Nelson, Jimmy Wakely, Sammy Ogg, Pat Boone, Fay Spain, Billy Woods, Chuck Woods, Chuck Opie and Arnie Hartman.

Turnbull's role in this new project is director of the show and he's also the "Teen-20" president. He interviews many of the guests and does the announcing. This club is sponsored by the Time Tithers Association and the Dr. Pierce P. Brooks Gospel Foundation, both non-profit, inter-denominational organizations.

Carman Club To Reopen March 1

The Carman Ranch Club at 2515 Sweetwater Avenue, Spring Valley, is scheduled to open for its 1958 season, March 1.

Mrs. John Carovano, manager, says that swimming lessons will be offered to all youth organizations in the area, whose members are over 6 years old. Beginning, intermediate and advanced swimming instructions will be given by Red Cross. Lessons will be given from 8:30 to 9:30 a.m. on Saturdays, prior to the summer, and every day at the same hour during the summer. However, groups signing up when the club opens its season will have the best opportunity to continue their lessons during the summer.

For further information, call HO 3-2234.

Hearts To Abound In Methodists Women's Fashion Show

Members of the Womans Society of Christian Service of the Lemon Grove Methodist Church are busy with arrangements for their Fashion Show and Tea to be given February 15 at 2:00 p. m. at the church, 3205 Washington Street.

Marstons will show Spring Fashions that are new and exciting for both pre-teens and teenagers, in additions to their regular fashions for adults .

With Valentine's Day so near, hearts will be in abundance with red and white carnations carrying out the "old fashioned" theme of Heart and Flowers", but presented with "new fashion" ideas on and off stage. Decorations are be developed by co-chairman, Mrs. C. D. Stephens.

The Tea table will decorated in the same motif. Members are contributing their favorite tea cookies for refreshments. Many of these will be made using favorite family recipes. They are sure to delight those attending the Tea. Those assisting will be sure to delight those attending the Tea. Those assisting will be Mrs. LeRoy Bellwood, Mrs. Alvin Cline. Mrs. Kenneth Corbin, Mrs. Keifer, Mrs. Blaine Rusk, Mrs. Frank Finney, Mrs. C. C. Hoffman, Mrs. Harry Kelso, Mrs. Roy Mosteller, Mrs. Wm. Hofer, Mrs. Blanche Heath, Mrs. J. A. Huskey.

Junior high school girl members of the World Friendship Group, will be selling candy during the tea. This is a newly organized group of girls with Mrs. Donald B. Cooke as their advisor.

Reservations may be made by calling Mrs. W. J. Bowersox, HO 6-6557; of chairman Mrs. R. M. Carlson, HO 3-2459. Donation will be $1.25.

Resolution of Intention re the Authorization of a Lease of Property by the Lemon Grove School District to the County of San Diego

On motion of Member Brown, seconded by Member Armstrong, the following resolution is adopted:

WHEREAS, the County of San Diego has requested a lease of the hereinafter described property upon terms satisfactory to this Board, said property belonging to the Lemon Grove School District and being described as follows:

Lots 198, 200, 201 and 202 of Hillsdale Subdivision, located in the County of San Diego, State of California, according to Map thereof on file in the office of the County Recorder of San Diego County;

and

WHEREAS, possession of said school property is not and will not at any time during the term of said proposed lease be needed for school classroom purposes;

NOW THEREFORE

BE IT RESOLVED, pursuant to Sections 18661 through 18664 of the Education Code that a lease of the above described property belonging to this District be granted to the County of San Diego upon the following terms and conditions:

1. The leased premises shall be used for park and recreational purposes only.

2. The term of said lease shall be for ten (10) years, commencing March 1, 1958 and terminating February 29, 1968.

3. As consideration for the use and occupancy of said premises The County of San Diego will pay to the Lemon Grove School District the sum of one dollar ($1.00) payable to the Clerk of the Governing Board of said School District.

4. The County of San Diego shall not sublet all or any part of said premises without the consent in writing of the Lemon Grove School District.

5. The County of San Diego shall be responsible for all utilities, including water, on the leased premises.

6. The Lemon Grove School District shall assume no liability for any use of the premises by the County of San Diego.

BE IT FURTHER RESOLVED that the Clerk of this Board be and is hereby authorized and directed to publish this resolution in the Lemon Grove Review, a newspaper of general circulation in this District, once a week for three successive weeks prior to the execution of said lease by this Board.

PASSED AND ADOPTED by the Governing Board of the Lemon Grove School District of San Diego County, State of California, this 13th day of January, 1958, by the unanimous vote of all of the members elected or appointed to the Board.

Local AA Group To Mark Anniversary

Lemon Grove Group of Alcoholics Anonymous celebrates its third anniversary Sunday in the Friendship Hall of the Lemon Grove Congregational Church at 8:15 p.m. The Group extends a cordial welcome to all its friends. A pie and coffee reception will follow the special anniversary program. Three years ago the local Group was founded by a small nucleus of old-timers. From an average attendance of about 20 persons weekly, the first year, now the average attendance at a meeting is upwards of sixty. Lemon Grove has the reputation of being one of the most friendly and "homey" groups in all San Diego County. It has become a real asset to the community it serves.

Any one needing help has only to dial AA Central Office—BE-9-1366 and in a matter of minutes some Lemon Grove "12th Stepper" will be on the way.

Figs

The russeting and fungus mold which sometimes comes on Fig trees is usually a disease which follows Thrip injury. Thrips are tiny, almost invisible insects, which not only injure and rasp the plant structure in order to draw their food from it, but at the time when they establish the injury, thrips carry an abundance of yeast, bacteria, and mold fungi. Thus they create an infestation which probably would never have developed if the injury had not first been committed.

Remedy

This can be prevented by an early spring clean-up spray with a lime-sulphur-oil emulsion, applied just when the buds begin to swell. This material breaks down fungus and destroys overwintering insects . . . on fruit, ornamentals and many other trees and shrubs as well. Breakdown of various kinds will often follow insect infestation. So, the remedy is really to prevent it by an early clean-up spray of your whole garden excepting Camellias and Azaleas. Their turn comes later.

SEASON'S FIRST HORSE SHOE TOURNEY SET

First Amateur Athletic Union horseshoe tournament of the year will be held Sunday at the Balboa Horseshoe Club, 8th and Date Streets, Balboa Park, horseshoe commissioner Gibson has announced.

Registration for the tourney will take place up until noon of the day of the event. The tournament itself will get under way at 1 p.m.

☆ If we hope to amount to anything, we must break away from the herd.

Beauty Salon Week To Be Marked Here

National Beauty Salon Week, sponsored by the National Hairdressers and Cosmetologists Association, will be celebrated throughout the nation starting Sunday. The event is "dedicated to more beautiful women" and has been set aside to emphasize the advantages of professional beauty care.

Grace Mitchell, Junior past President of San Diego County Unit No. 20 has been selected National Beauty Salon Week Chairman for San Diego in recognition of her extensive contributions toward advancing the aims of the beauty profession to give greater beauty service to the women of America.

National Beauty Salon Week is the outstanding event in the beauty world each year. During this week, owners and operators in beauty salons emphasize their year's round program of activities which feature special services to their communities, services which only professional hairdressers and cosmetologists can give.

'I Remember Mama' Set For Mt. Miguel's 'Boards'

The Mount Miguel High School Speech Arts Department will present its premiere dramatic production on March 7-8. "I Remember Mama," a comedy in two acts, has been chosen as the initial presentation.

The late John Van Druten's play takes place in San Francisco during the early twentieth century. Starring as "Mama" will be Merrily Whitehurst; Mary McCray will play her daughter, Katrin, who, according to the story based on the life of authoress Kathryn Forbes, sold the story she narrates in the play, and has since become a successful writer.

Other leading roles are played by Paul Mitchell as "Papa," Kris Amundson at "Dagmar," Mary Lou Bell as "Christine," Tom Frisque as "Nels," David Gallagher as "Uncle Chris," Suzy De Groot as "Aunt Trina," Kathy Nagel as "Aunt Sigrid," and Janice Torgerson as "Aunt Jenny."

Supporting players include Andy Kerr, Perry Tuave, Bill Truex, Donna Ray, Cathy Stubbs, Celia Taylor, Judy Dunham, Linda Thompson, Bette Long, Brenda Preston, Joe Connolly, John Cornelius and Gary Monetta.

Mt. Miguel Library Is Busy Place

Mount Miguel High School Library is especially popular these cool mornings; about a hundred use the time from 7:30 to 8:10 when the first bell rings to study, read current magazines and exchange books.

The library has grown steadily, in both use and material since the opening of school. Counting both donations and purchases the library has about 1500 books available. That averages out to one book for each student; not bad for a new library, yet not enough for a student body of this size. The circulation of books, pamphlets, and magazines has been very high for the amount of material available. Circulation of book alone averages close to 100 per day. This number will go up as more books are available. At present the students are doing much of their research and reading for book reports at the county branch libraries, which has overloaded their facilities also.

Lemon Grove and Spring Valley response to the appeal for suitable book donations was very gratifying. The library received over two hundred books many now out of print, for general circulation, as well as some valuable reference books.

The Junior Women's club of Lemon Grove, Mrs. Tom Mitchell, president, "adopted" the school library as a service project, and has assisted greatly in the collection of book donations. The Girl Scouts, Troop 565 of Spring Valley, Mrs. Eileen Smith, leader, has done the same thing in the Spring Valley area.

☆ Fitchburg, Mass. — A four-point, 80-pound buck came to a quick end when he nonchalantly walked off a three-story roof. the three story building is located on Main Street, which is at the foot of a slope, and the rooftop was easily accessible from a hill at the rear.

TRY A FRENCH HUNTER'S DINNER WITH PORK!

Mary Morgan
FOOD BASKET HOME ECONOMIST

One of our Super-Shoppers told me this week that pork is the one meat she can successfully feed her family more than once a week without that familiar repercussion of "same thing too often." Somehow, with so many excellent variations in pork cuts, and with so many more people conscious of its nutritive value, it is easy to plan more than one meal a week around this favorite. In going through a number of favorite pork recipes, I came across a very old one of French origin, which combines fresh pork with celery, onions and mushrooms. After the pork has browned well, tomatoes and big lima beans are added. This dish is known as French Hunter's Dinner and it is the basis of a delicious main meal. Try the following using Pork Loin or Shoulder Roast or those wonderful meaty spareribs:

French Hunter's Dinner
Molded Blueberry Jewel Salad
Whole Sesame Seed Pumpernickle
Lemon Meringue Pudding

You'll have an opportunity this week-end to try the Blueberry Mold, since it is our Recipe-of-the-Week. This recipe has never appeared in print before—it is the product of our own test kitchen, using canned blueberry pie filling, teamed with pineapple and black raspberry gelatine—a perfect accompaniment, with just enough tartness from fresh lemon rind to make it an ideal teammate for pork.
